Caronno Pertusella, 01/09/2014

To all our Customers,

## RoHS 2 Directive (2011/65/EC)

Dear Customers,

we are receiving many RoHS 2 questionnaires regarding our products and we decided to answer with this standard letter and we don't make any detailed specific declaration to each request.

Sintec srl declares that all Sintec products are in conformity with EU directive **2011/65/EC RoHS 2** dealing with the restriction of use of six specific substances in electrical and electronic equipment sold in the EU.

The six substances are:

- Cadmium
- Mercury
- Lead
- Hexavalent chromium
- Polybrominated biphenyls (PBB)
- Polybrominated diphenyl ethers (PBDE)

For any further questions please send an email to: [sintec@sintecsr.com](mailto:sintec@sintecsr.com)

Your sincerely

### SINTEC S.r.l
